1870 CENSUS

MONTGOMERY COUNTY, KENTUCKY

Abstracted and Published By:

MRS. GLADYS LEE AIKEN

I have endeavored to abstract the more pertinent information from the microfilm of the 1870 census for this book.

Utmost care was taken in the copying of these records. There are many errors to be found in spelling, etc. Quite possibly many of these errors are my own; as the old handwriting is very hard to read and some pages were very dim on the microfilm. For my errors or omissions, you have my humble apologies. I tried to copy each name, date, age etc. as it appeared on the microfilm.

It is my sincere hope that this book will be of help in some small way to those people who are so eagerly searching for information on their ancestors.

Gladys Lee Aiken
